February 13, 2009

Training for families and conservators will be held during April, May and June. (PDF)

SD Waiver Survey Tools - Notice of Public Meeting Pursuant to TCA § 33-1-309

February 12, 2009

As a result of changing requirements from the Centers for Medicare and Medicaid Services (CMS), states are required to establish performance measures that will be utilized to determine compliance with these requirements. These requirements relate to six assurance areas. [...More](#)

Welcome to the DMRS West Tennessee Community Homes!

November 26, 2008

If "Home is Where the Heart Is" then DMRS is opening its doors wide! Arlington Developmental Center will close in March 2010 and all the individuals currently living there will move into a community setting. Some persons at Arlington require extensive medical and nursing support and supervision. Where will these individuals live? [...More](#)

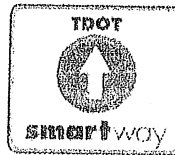

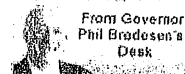

It's here!!! - ARCLink Roommates

December 11, 2008

Roommates is a new tool now available for Tennessee citizens with intellectual disabilities already receiving residential funding from DMRS to be able to, along with their family, friends, Independent Support Coordinator or Residential Provider, enter information about themselves in order to search for and locate one or more potential

"We will continually strive to enhance the quality of care for the persons we support. Their quality of life is paramount. We will ensure it through the highest professionalism, compassion, respect and commitment.

"Our focus must always remain on the persons we serve. We all have a responsibility, and that is to take care of persons who can't take care of themselves. Nothing is more important."
